PROGRESS IN SENATE ON THE TARIFF BILL

Washington, May 13.—After a four hours fight, the senate approved today committee amendments to the tariff bill proposing a duty of 2 1-2 cents a pound on litharge and of 3 cents a pound on orange mineral. Both of these materials are lead pigments.

Committee rates of 2 3-t cents a pound on red lead and 2 1-2 cents a pound on white lead also were approved. The democrats sought to have each of the four rates reduced to 1-2 cent a pound but their amendments were rejected.

Sonators Jones of New Mexico and Walsh of Montana, democrats and Norris, republican, Nebraska, led the fight for the reductions, while Senates Smoot, republican, Utah, supported the committee the committee green was approved by the senate of Chairman McCupber of the finance committee the committee amendment to make the rate 20 per cent, was rejected, 19 to 66, and at the request of Chairman McCupber of the finance committee the committee amendment to make the rate 30 per cent, used dock, hamp black and all other black pigments. An amendment by Senator King to make the rate 10 per cent, instead of the committee rate, while Senator Walsh figured that the duty on litharge would result in a was rejected.

EDUCATION COSTS WILL BE EASTERN STATES COMMUNITIES

HIGHER SAYS MEBEDITH "Is it fair to warn the citizens of this state that the cost of education will go on increasing for a number of years to come?" asked Governor Lake of Commissioner of Education Meredith Wednesday, at a meeting of the state board of control at Hartford, before which Commissioner Meredith had appeared to ask an increase in the payroll of his department.

ON DAYLIGHT SAVING TIME
